

BRANDS LIST, 2021

INTRODUCTION

Global Climbing is a large importer of sport, outdoor, travel and cycling equipment, clothing and accessories. With extended outdoor experience and being passionate about it, we are a hub of outdoor knowledge and supply retailers in the UAE and throughout the GCC with awesome outdoor gear. We work especially with biking and climbing activities, with professional services also including consulting on track development as well as building and maintenance of climbing walls.

We have a large variety of brands in our portfolio that are well known of being innovative and have a respectable reputation in the industry. We only work with brands and products we trust and know from all over the world. Our brands and products are selected based on professional reviews, tests and certifications so that we can provide our customers with only the best available with the best price. At the same time our brands know us and trust us to work with the best retailers in the region as well as sell their products through our own specialist e-commerce sites. We are the sole distributors for brands such as Endura, Vango, Ocean Glasses, H.A.D and many others.

We choose all our partners carefully. We only deal with licenced producers, retailers and traders, government entities and military, so you can be sure that all our products and services are the best quality. We consider all our partners as part of our family and we want to work with you to make sure everyone is satisfied with what we offer. Our aim is to bring in more brands suitable for the GCC market, considering the hot climate and other conditions of the regions' topography. Our brands can be found from some of the largest sports stores in the UAE including Adventure HQ and Go Sports, and various online platforms.
